About Us

Rachid Maliki

Founder and CEO

" We don't simply solve problems; we architect futures."

"At INFINITY PRIME, we believe that every supply chain exists at the intersection of challenge and possibility. Where these forces meet, we discover the infinite potential waiting to be unleashed. Like astronomers mapping constellations across endless skies, we identify the critical points where strategic intervention creates transformative impact. We don't just optimize your supply chain—we expand its horizons, turning finite resources into boundless opportunities."

Core Values

- **Strategic Excellence** — Execute with precision. Think ahead.
- **Unwavering Integrity** — Practice radical honesty. Be transparent.
- **Boundless Innovation** — Imagine boldly. Deliver practically.
- **Authentic Partnership** — Collaborate deeply. Solve together.
- **Sustainable Impact** — Drive meaningful, lasting value.
